Patterns of Evidence: The Exodus – TONIGHT

Tonight at 6:30pm come for a fascinating documentary called Patterns of Evidence: the Exodus, an in-depth investigation by filmmaker Tim Mahoney about what the hard evidence really has to say about the foundational story of the Old Testament: the Exodus out of Egypt. After examining the details in the biblical text, he journeys across the globe to search for patterns of evidence firsthand. The result is the most in-depth archaeological investigation into the Exodus from Egypt ever captured on film.

- Bring some cash with you! The Youth will be selling concession items as a fundraiser for their upcoming mission trip in July 2017.
